Thursday Dress Rehearsal

Rehearsal Arrival

- **Please see arrival time schedule for your child's class.**
- The rehearsals are important for the young dancer's comfort on and off stage. If you are running frantic (as we all do sometimes) your child will have a more difficult time focusing on rehearsal.
- We have a very good track record of running according to schedule so do not count on the fact the rehearsal will be running late. In fact, many times we run early.
- Hair and Makeup should be done before you come to theater
- Level 4 and 5 students should arrive in Pink Tights and Leotard (or full ballet costume)
- Level 3 and under must come in full costume with shoes in their dance bag.

Check in for Level 3 and under

- At the entrance, your children will be checked in by a SCBD staff member and guided to their backstage location by either a staff member or student helpers, where they place their bags and change into their dance shoes. We have chairs set up for each class with every child's name.
- Parents will need to go back outside and enter through the theater audience entrance. Again, no parents will be allowed backstage. We promise to take care of your children as if they are our own.

Dress Rehearsal Exit:

- Levels 3 and under
 - We will announce the dismissal of each class while a teacher takes your child to the balcony. At that time, please proceed to the balcony to meet your child.
 - Level 3 and under students will have a group picture taken in their ballet costumes before they are dismissed. There are a few classes that will have a group picture taken before and is noted in the schedule.
 - Please check in with the designated dismissal teacher before you pick up your child.

Thomas & Bruce Photography at Rehearsal:

- **Level 5 and under** - Thomas & Bruce Photography will be taking photos of students upstairs in the lobby Thursday 4:15-8:15.
 - We will provide a group picture schedule for each class. Individual pictures will start at 4:15 so you can do before or after your child dances.
 - Please note that Level 1 Monday 4:30, Level 2 Thursday 5:00, and ALL Level 3 Ballet will have Group Pictures BEFORE they dance. These classes must check in backstage and we will take the class for pictures
 - We encourage you to come early for individual pictures
- **Level 6 and up ONLY** – Thomas & Bruce Photography will be taking photos of students upstairs in the lobby, during rehearsal, Wednesday 5:00-8:30.
- Photos are optional – form is included in this packet.
- If you cannot do individual pictures on your rehearsal day, you are welcome to come the other day.

Video and Pictures for Dress Rehearsals:

- You may video rehearsal
- You may also take non-flash pictures. It is important that these photos are non-flash! Flash is dangerous for the older dancers and is very distracting for younger dancers as well as the audience around you.

SCBD Table at Recital in Gallery

- Limited supply of SCBD clothing available
- Flowers will be available for Sale

RECITAL INFO

Student Performance Arrival and Exit: Please arrive 30 minutes before recital.

- Students must arrive in their first dance costume with hair and make-up done (Level 5 and up should arrive in Pink tights and leotard with hair and make-up done)
- All students will enter the side door marked Hoyt Sherman Placement Center. This is an entrance located on the east side of Hoyt and separate from the theater entrance.
- Students will be checked in by an SCBD staff member and guided to their backstage location.

Student Performance Exit:

- At the end of the performance all students will exit through the theater by the Stage Right double doors. Level 3 and under classes will be dismissed by class. We will announce each class. Please remain seated until we call your child's class. Please check in with the teacher as you pick up your child.

Seating at Recital:

- Doors will open 20 minutes before the show. There are no tickets needed.
- Seating is on a first come basis.
- After the recital, we will need to clear the theater and lobby to prepare for the next recital. Any items found in the seats will be removed.

Video and Pictures at Recital:

- **No pictures and No videotaping** with cameras or cell phones during the show. LCD screens lit up throughout the audience is bothersome to dancers and fellow audience members. Please just enjoy watching your young dancer.
- Remember you will receive a link to download your free copy of recital

Recital Program: Programs will be available by paper, the website, and QR code in the theater. <https://myscbd.com/recital-information/>

SCBD Flowers for Sale: You may purchase flowers before each show. The flower table will be in the Gallery. Flowers will be sold in the following arrangements: 1 for \$5, 3 for \$10, and 5 for \$15.

DANCER INFORMATION

Make-up: We do not have hard and fast rules on make-up except that we want your children to look like children. For younger children (3-9 years old) make-up is not necessary but many little girls love the opportunity to wear it so we suggest blush, a little eyeshadow, and lipstick dabbed on with your finger (if it is applied directly to the lips, it usually gets on their costume, a friend's costume, the theater seat, or everything else.) Older children (10-13 years old) should wear blush, lipstick, eyeshadow, and mascara. Older dancers should add eyeliner and eyebrows (heavy street make-up). Boys do not need make-up.

Hair: We will email instructions for each class concerning hair. In general, CM – Level 2 students will have their hair pulled back from their face and levels 3 and up must have a bun, neat and slicked for rehearsals and performances. No “wispy’s”.

Shoes and Costumes: Please write your child's first and last name in their shoes. Initials are not enough. Every year shoes are lost because we do not know whom they belong to. Also, please make sure your child's costume is marked with their name. Things can get a little crazy when there are fast changes. Put hair pieces and small accessories in a baggie or container with your child's name on it.

There is absolutely no food or drink in the auditorium of the historic Hoyt Sherman Place Theater. If your child will be in the theater for an extended period of time, they may have something to eat in the lobby or outside. Absolutely no nut products in the theater. We have children who are highly allergic to nut products so please respect this rule. Please refrain from packing snacks for the youngest children to eat in the theater. We will not keep them long. Don't worry, we do not want hungry, tired, young children in the theater either.

We look forward to this exciting but very busy time of year!!!

Sincerely,
Serkan, Lori, and the SCBD Staff
